Executor EASE is the solution.

Executor EASE is a flexible, affordable solution that allows you to choose as much assistance as you need. It begins with a no-cost, no-obligation consultation with a trust specialist. During the consultation, our specialists work with you one-on-one to better understand the complexities and needs of the estate then offer appropriate solutions tailored to those specific needs.

You select only those services you require, and nothing more. This is the case whether you need help preparing the probate application, or need more comprehensive assistance with all of your executor duties.

What is probate?

Probate is the legal process to validate a will and formally confirm the appointment of the executor. It is the first step in the legal process of administering the estate.

Remember, with Executor EASE you select only those services you require. The estate pays for the services, and nothing more.
