## Mission Branch relocation to Outlook Village

British Columbia – Our Mission Branch has relocated to the bustling Outlook Village at the corner of Lougheed Highway and Wren Street. The new location provides easy access to nearby retailers and lifestyle services, making it a convenient location to serve the growing population.

*“Nestled in the mountains and near the river, Mission is a beautiful place to call home,” noted Beem CEO Brian Harris. “We’ve proudly served new and existing members in the area for nearly five years and look forward to building strong connections in the community for generations to come. Be sure to stop by our new location and say hello to the team who is dedicated to power your possibilities, helping you achieve what matters most.”*

### Financially empowering members on their terms

Banking with us in person, members can walk into our new Outlook Village location expecting a warm welcome and an experience designed to inspire meaningful conversations that create a feeling of financial empowerment, no matter where they are in life.

### Helping the Mission community thrive

Building strong connections in our community means investing in programs and people to make a positive impact in Mission. Whether it’s giving back to local groups like St. Joseph’s Food Bank through donations and sponsorships or empowering our leaders of tomorrow through scholarships and bursaries, we are committed to building a strong and resilient Mission community for our future generations to enjoy.
